Scotch Brite Pads

Used for cleaning dried ink and grime off of surfaces. Steel wool effectiveness, yet safe for blankets and rollers.

Blanket Scrubbers

Durable Nylon Pocket containing a cellulose sponge that holds a reservoir of solvent to thoroughly and effortlessly clean your blankets without the use of expensive shop towels

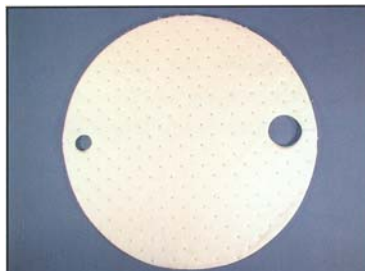

Absorbent Socks

These flexible universal absorbent socks lay flat on any surface to prevent seepage of liquids.
 3" Diameter x 4' Length
 30 socks per case

Absorbent Mats

Heavy Duty absorbent mats
 15" x 19" - Universal - 100/box
 15" x 19" - Oil Only - 100/box
 30" x 300' Roll - Universal

Absorbent Drum Covers

Fit 55-Gallon Drums
 Comes with precut holes to match small & large bungs
 25 Covers per case.

Bung Wrench

Works with plastic or metal drums with 2" and 1/2" openings

Drum Spigot

Available for 1/2" or 2" drum openings. Fit metal or plastic drums.

Metal Pail Pump

Used for dispensing products from 5-gallon pails.

Metal Drum Pump

Economical means of dispensing products from steel drums.

Plastic Drum Pump

Economical means of dispensing products from plastic drums.

Blackmer Rotary Drum Pump

Longer lasting rotary pumps.

Goat Throat Pumps

Long lasting, chemical resistant drum and pail pumps improve safety and keep drum sealed when not dispensing in order to improve air quality. Replaceable seals extend pump life. Optional extensions and alternative dispensing nozzles available as well as the ability to hook pump up to compressed air to allow dispensing without manually pumping. Specify chemical being used so that appropriate seals are shipped.
