

TECH SHEET

OZONE SAFE MRC

PRODUCT #1024

METERING ROLLER CLEANER

DESCRIPTION

An effective metering roller cleaner that does not contain any ozone depleting chemicals, halogenated hydrocarbons (HOC), or components listed under SARA Title 111-Section 313.

FEATURES AND USAGE

To be used in any pressroom to clean metering rollers. This product contains fast drying solvents that quickly and effectively remove ink from the dampening rollers. For a stronger version of this product, ask for Ozone Safe MRC Special.

TECHNICAL GUIDANCE

POSCO is happy to provide its customers with technical guidance in the use of its products in solving problems encountered by the pressman in any kind of printing operation, anywhere. Please call and ask for technical assistance.

DIRECTIONS

1. Wash metering roller with a clean cloth saturated with solvent.
2. Wipe dry with a clean cloth if needed.

BENEFITS

- Will not damage ozone layer
- Fast drying
- Contains no chlorinated solvents
- Contains no Section 313 components
- Contains no glycol ethers
- Mild to use
